The TOMORROW FUND
for children with cancer

Reflections

VOLUME 20 | ANNUAL NEWSLETTER

Our Mission

The Tomorrow Fund, an independent non-profit charitable organization, provides daily financial and emotional support to children with cancer and their families treated at Hasbro Children's Hospital. The Tomorrow Fund strives to ensure access to the highest level of comprehensive care while raising public awareness of childhood cancer.

Xavier's Story

We first met Xavier in March of 2019, shortly after his birth. Xavier was born prematurely, and it was soon discovered that he had a cancerous brain tumor, a high-grade glioma called *glioblastoma*. It is uncommon for a baby to be born with a malignant tumor and treating this type of cancer in a newborn patient is very challenging.

Xavier has spent a large amount of the first year of his life in the hospital between the NICU, PICU and on the 5th floor at Hasbro. He has undergone surgery to remove a portion of the tumor and has received targeted chemotherapy through a feeding tube in his stomach. Xavier's parents have had to travel back and forth between their home and the hospital, nearly an hour each way. Xavier's mother had to quit her job to care for him, attend his medical appointments and administer his medications along with an intensive feeding schedule. Throughout these difficult months, The Tomorrow Fund has provided daily stipends to help with the cost of gas and travel, as well as financial assistance with household bills to help alleviate some of the financial burden and stress now that only one parent is working. The most recent imaging has showed that the remaining tumor has started to shrink. Xavier's family members were elated to hear this news and were so grateful that they could spend the holiday season with their son. Xavier's parents have repeatedly expressed their gratitude for The Tomorrow Fund and how the support they have received has allowed them to be with their son and focus on his health and well-being.

Unfortunately, Xavier's family's story is not unique. The unexpected journey pediatric cancer patients and their families face is life changing. It is terrifying and emotionally and financially devastating. Even though each journey is different, the one thing that each family has in common is that they all need help beyond medical care to cope with the many challenges that accompany this traumatic disease. For this sole reason, the Tomorrow Fund exists.

On behalf of Xavier's family and the countless other families we have served and will serve, thank you for being a Tomorrow Fund supporter.

The Tomorrow Fund helps families throughout treatment and beyond.

Dependent upon individual treatment plans, cancer treatments can take several months or even years. For many families, the long battle against cancer includes the added stress of financial hardship. We provide financial and emotional assistance to our families in many ways. Below are just a few of the many resources provided to Tomorrow Fund Families.

The Tomorrow Fund provides:

- **Daily Stipends** for in-patient families (\$15 per day)
- **Hospital Parking Passes** for the duration of treatment
- **Financial Aid** for home expenses such as heat, utilities and rent
- **Out-of-State Travel Stipends** (\$50 per day)
- **Camp Dotty & Camp Tomorrow** (Summer Camps for Tomorrow Fund Kids & their siblings)
- **College Scholarship Fund**
- **Fertility Preservation**
- **Survivorship Programs and Support Groups**
- **Bereavement Groups**
- **Funeral Fund**
- **Clinic Financial Support**

To date, over 2,000 children and their families have received financial and emotional support from The Tomorrow Fund. Behind every kid with cancer is a family that needs your help. Thank you for your support!

We provide hospital **parking passes** to all of our families for the duration of treatment, saving each family **thousands** of dollars.

We provide **\$15 per day** when children are hospitalized overnight at Hasbro. Families often use stipends to purchase coffee or a meal. Last year, we provided nearly **\$35,000** to families.

Some of our children travel out of state to receive bone marrow, stem cell and other treatments that are not available in RI. We provide **\$50 daily travel stipends** to these families to help defray expenses. Last year, we provided just under **\$31,000** to families who traveled for care.

The **direct assistance** that we provide to our families will always be one of the most important things we do. Last year, we provided **\$211,000** to families helping them to keep the lights on, their homes warm and assist with overdue rents and mortgages, allowing parents to focus on their child.

"We can't thank you enough Tomorrow Fund! You have been a great support to our family during these difficult times. When our daughter was diagnosed with Leukemia back in July 2017 our world collapsed in a matter of seconds and The Tomorrow Fund came to give us hope and help. It made us feel that we weren't alone in this battle and they have been there for us when we needed them."

– M.D., TTF Family Member

This is My Fight Celebration

The 3rd Annual *This is My Fight Celebration* was a very special night out for Tomorrow Fund patients and their families! This year's Circus theme was truly a magical celebration filled with laughter, dancing and lasting memories.

National Childhood Cancer Awareness Month

Did you know **15,000 children** living in the United States will be newly diagnosed with cancer this year?

In September, we hosted our 20th Annual Governor's Reception at the Rhode Island State House in recognition of Childhood Cancer Awareness Month. We celebrated and recognized Tomorrow Fund Kids as Ambassadors and remembered those children who have lost their courageous battle. Governor Raimondo presented 34 children with Ambassador Medals and Certificates.

GOLD is the ribbon color associated with Childhood Cancer. Each September, in recognition of childhood cancer awareness, the Rhode Island State House Dome is lit in the color gold for one week and The Tomorrow Fund sponsors a special ceremony to honor all of our courageous patients.

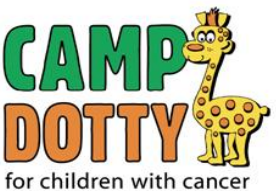

Camp Dotty & Camp Tomorrow

Camp Dotty, a day camp for 4-7 year old children with cancer and their siblings, was created to provide a camp experience for young children while recognizing their individual needs as they deal with cancer. Last year, Camp Dotty celebrated its 21st Anniversary allowing children with cancer and their siblings to JUST BE KIDS AND HAVE FUN. They enjoyed a week full of pirate-themed crafts, games and fun!

Recently, Camp Tomorrow was developed to meet the needs of children and their siblings ages 8-11 years old who are not quite ready for overnight camping. This camp offers a true day camp experience for this age group. These campers enjoyed many exciting outdoor activities including swimming, hiking and sailing.

We had a great week at

32nd Fantasy Ball

Tomorrow Fund Founders, Survivors, Executive Director and Founder Dr. Edwin Forman

This year marked the 32nd Anniversary of our Annual Fantasy Ball. This elegant event is our largest fundraiser of the year and critical to raising funds to support our mission and the work we do year-round. Friends, families and supporters came together at Rhodes on the Pawtuxet and celebrated our Tomorrow Fund Kids and their unforgettable journeys at our “Evening of Enchantment” themed event. Co-Chairpersons for this year’s event were Michael & Meredith D’Ambra and Tony & Vicki Verdi. Through the incredible generosity of corporate and individual supporters, the event was a tremendous success. Co-Auction Chairs, Suzanne Vitalo and Dolores Zompa, coordinated the silent auction portion of the event.

Join us at the 33rd Annual Fantasy Ball on Saturday, November 7, 2020!

Thank you to all of our 2019 Fantasy Ball Committee Members and volunteers, we couldn't have done it without you!

Students Helping Students

Students and their teacher from Foxborough Regional Charter School presented a check to The Tomorrow Fund

"In 2018, two of my friends and I started a fundraiser for The Tomorrow Fund. Of the three was Lilly Toxavidis, a cancer patient at Hasbro Children's Hospital. Lilly came up with the wonderful idea of doing a fundraiser for The Tomorrow Fund. She explained how much they had helped her. We started fundraising by making handmade pins out of ribbon. The overall goal was to spread awareness about childhood cancer. To motivate middle schoolers to donate, we informed them that whichever grade donated the most money would win the prize of not having to wear their school uniform for a day. After a little over a month of fundraising we had a total of about \$400 which we happily sent over to The Tomorrow Fund. This year we decided to start the fundraiser up again. We decided that we would make and sell buttons that students can pin onto their backpacks. The buttons had a gold ribbon on them to represent childhood cancer. To motivate students we kept the same prize as the year before. After a little over a month of fundraising we were able to hand The Tomorrow Fund \$687. After two years we are able to proudly say that we have donated over \$1,000 to The Tomorrow Fund. No words can possibly describe how grateful we are to everyone that donated and helped us to reach this goal."

Investing In Tomorrow

Our 2019 Scholarship Recipients

Each year, current and former Tomorrow Fund patients are invited to apply for a Dino Germani and a Barbara Ducharme Scholarship to relieve some of the financial burden associated with the costs of college. This year, 10 Dino Germani scholarships and one Barbara Ducharme scholarship were awarded to Tomorrow Fund Kids. To date, 154 scholarships have been awarded. We wish all of our scholarship applicants and recipients best wishes for continued success throughout their college careers and beyond!

The 2019 Dino Germani Scholarship recipients are Charles Hammond, Samuel Luzzi, Madeline Marcotte, Tucker Olen, Liam Peterson, Andrew Silva, Sarah Sweet, Nickolas Williams, Alexandra Wilson and Olivia Winchenbach.

The recipient of the Barbara A. Ducharme Scholarship for 2019 was Brandon McKenzie.

Survivors

Beyond The Cancer...

Due to advancements in treatment, the odds of children surviving their battle has increased tremendously. Although most survivors will lead long healthy lives, they often face many challenges. Surgeries, radiation and chemotherapy that beat cancer can also cause lifelong damage to young, developing bodies.

Some of the possible "latent effects" of cancer treatment that our kids may face in their lifetime could include:

- Heart or lung problems
- Slowed or delayed growth in development in organs, tissues and body development
- Changes in sexual development and ability to have children
- Learning and memory difficulties
- Social and psychological adjustments
- Risk of second cancers later in life

We are proud to report that our **Survivorship Program**, created several years ago, has evolved and grown to meet the needs of Tomorrow Fund Survivors and offers continued financial and emotional support.

THANK YOU to the Pawtucket Red Sox, Providence Bruins and Local Honda Dealers

The Tomorrow Fund is appreciative of the enormous amount of support we receive each year through Tribute donations. Donors can make an In Memory donation to remember a loved one's life and legacy. They also can choose to make an In Honor donation to celebrate a loved one's fight against cancer, birthday or other special occasion. The Tomorrow Fund is appreciative of the enormous amount of support we receive each year through Tribute donations. Donors can make an In Memory donation to remember a loved one's life and legacy. They also can choose to make an In Honor donation to celebrate a loved one's fight against cancer, birthday or other special occasion. This list reflects gifts made from January 2019 through December 2019. We apologize in advance for any errors or omissions.
